About Our Program

The MEC Equestrian Day Camp is open to all levels of riders from complete beginners to polished show riders ages 6 to 16 years.

Campers ride each day in groups formed by their level of riding experience to provide for proper instruction. Campers also participate in activities geared toward the age, experience and skill of each camper.

Instruction is provided by friendly, professional Massachusetts licensed riding instructors. Campers are supervised during all activities.

Campers learn horsemanship and riding skills while having fun and meeting new friends!
